☺

Your recommendations, comments, or suggestions, please.

-Most often I use a T.V., DVD, & VHS player. John has graciously allowed be to keep these audio visual materials in my room. However, I was disappointed to find out that few of my

ACC Faculty (26) Questionnaire 2007:

Library & AV Services

tapes and DVDs are closed captioning. This is very important in assisting hearing impaired students!

-Keep up the excellent work your staff does.

-You do a lot with very little. You're successful despite the President's & Boards actions against the library.

- John's Job would be a lot easier if CTR 116 was a smart room. Overall, I think everyone is very helpful & does a good job.

-The College Library is an excellent resource and service for ACC students, faculty and staff.

-All of the staff has been very supportive and cooperative toward me.

-Chuck T. Rocks! And so do the rest. Even the cougars and alligators underneath the library's trap doors are helpful.

-The library staff always very helpful!
