# Summer transfer classes are quick, easy and inexpensive for returning university students!

Coming home for the summer from a four-year school? ACC makes taking summer classes quick, easy and inexpensive.

There are many reasons for you to give up a bit of sun time to take classes at ACC. We offer a variety of interesting classes (see the list below), all of which are **MACRAO certified to transfer to your Michigan four-year school.**

ACC's relaxed atmosphere and small class sizes make it easy for you to get the personalized attention you need. Would you like to improve your study skills? We even have classes to help you be a

better student. Best of all, **ACC is less expensive than a four-year university** so you'll save money!

ACC's Summer Semester features 6-week and 12-week classes. Most **12-week classes and some 6-week classes start May 14.** The second round of 6-week classes starts June 25.

For more information about Summer Semester 2012 classes, look for the Summer Class Schedule due out in March (it will also be posted on the ACC website) or contact the ACC Admissions Office by phone at (989) 358-7339 or by e-mail at [kollienm@alpenacc.edu](mailto:kollienm@alpenacc.edu).

# 'Tis the Season for Scholarships

During this time of the year our mailboxes fill with solicitations for many worthy causes in our communities and throughout the world. The Alpena Community College Foundation is in the business of helping individuals achieve their academic dreams, and has launched its annual appeal to assist those who are pursuing their educational goals at ACC.

Not every community is fortunate enough to have its own college. For the past 59 years, ACC has played a vital role in delivering affordable and accessible high-quality education to the residents of Northeast Michigan. Community colleges serve almost half of the undergraduate students in the United States, providing access to post-secondary education and preparing students for transfer to universities.

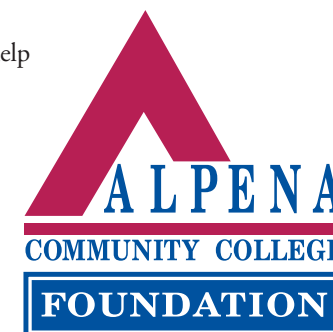

However, higher education is like anything else in life that is worthwhile — it isn't free. In these tough economic times it has become more difficult for students to pay their tuition and other costs associated with education. For many, the route to a higher education is often blocked by a lack of financial resources.

Please join us in offering more students the opportunity to succeed and attain their dream. We invite you to consider a contribution of \$25, \$50, \$75 or more to the ACC Foundation. Your contribution, no matter the size, will make a positive difference to the students who are striving to advance their education, their careers and their lives.

Your donation can be directed to a specific program or department, to help fund student scholarships, or to the Endowment Fund for future use. Unrestricted support provides the Foundation with the flexibility to use your gift to support programs or departments having the most urgent needs.

Gifts to the ACC Foundation are tax deductible as allowed by law. In addition, Michigan residents are eligible for the Michigan public contributions tax credit if you donate to the ACC Foundation by December 31, 2011. Effective January 1, 2012, the State of Michigan will no longer give tax credit towards public contributions.

For more information about making a donation to the ACC Foundation, please contact the ACC Foundation Executive Director Penny Boldrey at (989) 358-7297, or mail your gift to 665 Johnson Street, Alpena, MI 49707.

## Basketball Season Under Way

The ACC men's and women's basketball season is already well underway. Be sure to catch the second part of the season as the Lumberjacks and Lady Jacks dive into conference rivalries and try to make history. Women's Head Coach Bobby Allen enters his second season at the helm, while Men's Head Coach Frank McCourt marshals his troops for the 29th year. Also of special note is Homecoming, scheduled this year for Saturday, February 18, 2012. A variety of activities are planned to welcome alumni back to campus.

Men's Basketball Head Coach Frank McCourt (left) and Women's Basketball Head Coach Bobby Allen (right) embark on another year of basketball with the ACC Lumberjacks.

## School Closing Policy

Alpena Community College draws students from a large area and has two campuses located 50 miles apart. The weather can vary dramatically over this large area. Students are responsible for determining the advisability of travel during severe conditions.

In extreme situations, the College may alter its schedule of operation at the Alpena Campus and/or at the Huron Shores Campus in one of the following ways: delay morning opening; cancel classes only; or close (cancel classes and close all offices/services). At these times, area radio stations are requested to assist in notifying students. LISTEN CAREFULLY to hear the correct status of operations. The College telephone greeting also informs callers of weather-related closing, cancellation of classes, or delay in opening. Call (989) 356-9021 for the Alpena Campus, (989) 739-1445 for the Huron Shores Campus.

Travel decisions are the responsibility of each student after assessing the road conditions in their respective area, the condition of their vehicle and their driving skills. The College does not encourage students to take unnecessary risks in order to attend classes. If a student misses classes due to inclement weather, the student must notify the faculty member at the earliest possible time — preferably within 24 hours. Excused absence because of inclement weather is generally a matter between the student and instructor; the student should consult the instructor's syllabus for specific make-up work procedures.

### Tchaikovsky for Kids

**Friday, December 9, 2011 at 7:30 p.m.**

**Matinee, Saturday, December 10, 2:00 p.m.**

Continuing the success of our annual children's performance, the Spotlight Series presents selections by one of our best-loved composers, Pyotr Ilyich Tchaikovsky. This world-renowned Russian composer wrote symphonies, operas, ballets, instrumental and chamber music as well as songs.

To bring his music to life, ACC dance instructor and choreographer, Christine Giordano, combines dancers with some of Tchaikovsky's more well-known pieces from *Swan Lake*, *Sleeping Beauty*, and the holiday classic *The Nutcracker*.

Please plan to bring the whole family for this special opportunity. A reception to meet the cast will be held after each performance.

### Russell Miller with the ACC Jazz Band

**Friday, April 13, 2012 at 7:30 p.m.**

Saxophonist, flautist, composer and arranger Russ Miller is currently Assistant Professor of Jazz Studies at Wayne State University where his duties include teaching jazz improvisation, jazz lab bands and jazz arranging, and orchestration classes. His 30-year professional music career includes performances with Dizzy Gillespie, Buddy DeFranco, J.C. Heard, Rob McConnell, Jon Faddis, Joe Williams, Milt Hinton, Rosemary Clooney and Sammy Davis Jr. among others. In addition, Russ has performed at the Detroit International Jazz Festival, the Michigan Jazz Festival, Music on the Plaza in Grosse Pointe and other venues.

ACC's talented and versatile Jazz Band, performing under the expert direction of Bonnie Moore, is an annual favorite of Spotlight Series audiences. Miller will conduct a one-day workshop with the band prior to being featured in this not-to-be-missed combined performance!
