When IT really matters...

Test with VUE!

Get Certified!

You have the experience and the training — now you want to demonstrate your expertise and get the recognition your skills deserve. An IT certification increases your credibility in the marketplace and is tangible evidence that you have the know-how to provide top-notch support to your employer.

Why Test with VUE?

Using the speed and reliability of the Internet, the most advanced technology and our commitment to unparalleled service, VUE provides [Alpena Community College](#) a quick, flexible way to meet your testing needs.

- VUE uses the Internet for secure data transmission to and from the testing center
- Extensive use of Java in the registration and testing site management applications
- Easy and convenient real-time registration and rescheduling of exams
- Your exam is downloaded and ready when you are
- Results promptly and accurately provided to certifying agency
- Real time connection with the VUE hub via the Internet for all services
- Tamper-proof web Digital Embosser that protects your certification

VUE and [Alpena Community College](#) are committed to providing you with world-class service. Your complete satisfaction with the testing process from a quick, painless registration to having your exam available when you expected and your test results promptly reported to the certifying agency is assured.

Q. Are the exams on the VUE system different?

A. No, the exams are exactly the same. They look the same and are scored the same. The difference is in the great service and convenience you'll experience before and after you take your exam.

Q. I have already taken exams with another test delivery provider. Can I finish my certification with VUE?

A. Yes. Every exam you take with VUE is merged with the sponsor's test history data.

Q. Are the exams at VUE priced the same as anywhere else?

A. The exam sponsors set the prices, so prices at VUE authorized test centers are the same as at all other test centers.

Q. How do I register for an exam with VUE?

- Register directly at [Alpena Community College](#)
- Go to www.vue.com to register yourself
- In North America, call these toll-free hotlines:
